

Skating Scene

Materials

Blue Construction Paper
Cotton Balls
Print Out of Page 2
Glue
Scissors
Crayons

Directions:

- 1) Glue cotton balls along the entire border of blue construction paper.
 - 2) Color and cut out items from page 2.
 - 3) Bend the bottom flaps on all of the pictures, so that they are perpendicular to the paper.
 - 4) Glue the bottoms of the flaps to the construction paper.
 - 5) By gluing the flaps down, the items should be 'standing up' on the construction paper to make it look 3D.
- *Have students complete 1 language task or say their sound 5X each time they color, cut or paste an item.
